**PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION UNDER
37 CFR 1.137(b) AND TRANSMITTAL OF FORMAL DRAWINGS AND
ISSUE FEE PAYMENT**

Sir:

This Petition to Revive Unintentionally Abandoned U.S. Patent Application 09/925,838 is filed in response to the Notice of Abandonment dated May 5, 2005.

As per the Notice of Abandonment, the applicant failed to file corrected formal drawings and to pay the required issue and publication fees in response to the Notice of Allowability dated

September 2, 2004. The entire delay in filing the required reply from the due date for the reply until the filing of this petition was unintentional.

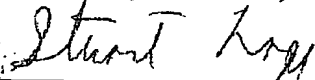

Per the requirements of the Notice of Allowability mailed September 2, 2004, Applicant submits herewith for approval five (5) sheets of formal drawings to be substituted for the five (5) sheets of drawings that were filed with the application on August 8, 2001. Applicant submits that this new set of formal drawings meets all the requirements of 37 CFR 1.84 and that the only changes made were the changes included in the proposed drawing correction filed on March 21, 2003, which were approved by the examiner in the Final Office Action mailed June 16, 2003. Specifically, a "PRIOR ART" label has been added to Figs. 1, 3 and 5, and Fig. 7 is amended to include identifications I_{PO} , I_{PI} , and I_b , as required by the Examiner in the Office Action mailed November 21, 2002. In addition, Fig. 2 now includes a "PRIOR ART" label as required by the Examiner in the Final Office Action mailed June 16, 2003.

Applicant also submits herewith a completed Part-B Issue Fee Transmittal, authorizing payment of the required issue fee and seven (7) patent copies to be charged to the undersigned attorney's PTO Deposit Account #50-1047.

As applicant believes it has now met the requirements of the Notice of Allowability mailed September 2, 2004, Applicant hereby petitions the Commissioner to grant this Petition to Revive. It is respectfully requested that the Notice of Abandonment be withdrawn, and the application proceed to issuance accordingly.

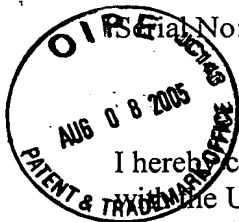

The PTO is hereby authorized to charge the \$750 Petition Fee, as well as the \$1000 issue fee and any additional fees required to the undersigned attorney's PTO Deposit Account #50-1047.

Respectfully submitted,
